By this Application, OMM seeks allowance of compensation for actual and necessary professional services rendered for the Debtors in the total amount of $546,206.00, and for reimbursement of actual, necessary disbursements that OMM incurred in connection with such services in the total amount of $10,454.82, for an aggregate total of $556,660.82 during the period of December 1, 2025 through February 28, 2026 (the "**Fee Period**").

JURISDICTION

1. The United States Bankruptcy Court for the Southern District of New York (the "**Court**") has jurisdiction to consider this matter pursuant to 28 U.S.C. §§ 157 and 1334 and the *Amended Standing Order of Reference M-431*, dated January 31, 2012 (Preska, C.J.).

2. This matter is a core proceeding within the meaning of 28 U.S.C. § 157(b). The Debtors confirm their consent to the entry of a final order by the Court in connection with this Application.

3. Venue of the Chapter 11 Cases and related proceedings is proper in this district pursuant to 28 U.S.C. §§ 1408 and 1409.

BACKGROUND

4. On August 29, 2025 (the "**Petition Date**"), each of the Debtors filed a voluntary petition for relief under chapter 11 of the Bankruptcy Code. The Debtors remain in possession of their property and continue to operate and manage their businesses as debtors in possession pursuant to sections 1107(a) and 1108 of the Bankruptcy Code. The Chapter 11 Cases have been consolidated for procedural purposes only and are being jointly administered pursuant to the *Order (I) Directing Joint Administration of Chapter 11 Cases and (II) Granting Related Relief* [ECF No. 35]. On September 17, 2025, the United States Trustee for the Southern District of New York appointed an official committee of unsecured creditors pursuant to section 1102 of the Bankruptcy Code [ECF No. 117]. On October 29, 2025, the Court approved the appointment of Marc J. Heimowitz as examiner pursuant to section 1104(d) of the Bankruptcy Code [ECF No. 381].

5. Information about the events leading up to the Petition Date and the Debtors' businesses, affairs, capital structure, and prepetition indebtedness can be found in the *Declaration of Fred Cromer in Support of the Chapter 11 Proceedings and First Day Pleadings* [ECF No. 19].

6. On November 3, 2025, the Court entered the Interim Compensation Order, which sets forth the procedures for interim compensation and reimbursement of expenses for all professionals in these cases. On December 23, 2025, the Court appointed David M. Klauder as independent fee examiner pursuant to section 105(a) of the Bankruptcy Code and simultaneously and in connection therewith modified in part the Interim Compensation Order [ECF No. 635].

THE DEBTORS' RETENTION OF OMM

7. On November 3, 2025, the Court entered the *Order Authorizing the Employment and Retention of O'Melveny & Myers LLP as Special Labor Counsel to the Debtors* Nunc Pro Tunc *to the Petition Date* [ECF No. 398] (the "**Retention Order**"), authorizing OMM's retention by the Debtors. The Retention Order attached hereto as **Exhibit B** and incorporated by reference allows the Debtors to compensate and reimburse OMM in accordance with the Bankruptcy Code, the Bankruptcy Rules, the Local Guidelines, and the Interim Compensation Order.

8. The Retention Order also authorizes the Debtors to compensate OMM at its hourly rates charged for services of this type and for the firm's actual, necessary expenses incurred in connection with such services rendered during the Fee Period. Among other things, the Retention Order authorizes OMM to render legal services with respect to general labor matters, including issues involving section 1113 of the Bankruptcy Code, the Railway Labor Act, and other similar matters.

COMPENSATION PAID AND ITS SOURCES

9. All services during the Fee Period for which compensation is requested by OMM were performed for or on behalf of the Debtors. OMM has not received any payment or promises of payment from any source for services rendered or to be rendered in any capacity whatsoever in connection with matters covered by this Application. A certification confirming OMM's compliance with the Fee Guidelines is annexed hereto as **Exhibit A**.

10. To the extent that billable time or disbursement charges for services rendered or expenses incurred relate to the Fee Period, but were not processed prior to the preparation of this Application, OMM reserves the right to request compensation for such services and reimbursement of such expenses in a future fee application.

SUMMARY OF PROFESSIONAL COMPENSATION AND REIMBURSEMENT OF EXPENSES REQUESTED

11. During the Fee Period, OMM's professionals and paraprofessionals expended a total of 324.70 hours in connection with providing necessary services. OMM has been able to efficiently provide services by utilizing the expertise of professionals and paraprofessionals within relevant practice groups to effectively advise the Debtors regarding discrete issues and ensuring that the level of seniority is commensurate with the assignment. These professional services were rendered by OMM's partners, counsel, associates, and paraprofessionals from its labor, litigation, tax, and restructuring practice groups.

12. OMM, in connection with services rendered on behalf of the Debtors, respectfully requests allowance of reasonable compensation of such services rendered in the total amount of $546,206.00 and reimbursement of actual and necessary expenses incurred in the amount of $10,454.82, for an aggregate total of $556,660.82 for the Fee Period. Annexed hereto as **Exhibit C** is a list of OMM professionals and paraprofessionals, their position with the firm, the department in which the individual practices, the hourly rate charged for their services, the number of hours worked on this matter, and other pertinent information. OMM maintains computerized, detailed time records of services rendered by its professionals and paraprofessionals. **Exhibits F-1**, **F-2**, and **F-3** annexed hereto are OMM's time records from the Fee Period with a daily time log describing the time spent by each timekeeper. OMM engaged in ongoing discussions with the Debtors regarding budgeting and staffing matters.

SUMMARY OF SERVICES RENDERED

13. During the Fee Period, OMM provided specialized legal services essential to the Debtors' restructuring efforts, with a particular focus on legal research and analysis regarding

various labor and employment issues as well as review and analysis of collective bargaining agreements as related to the Debtors' restructuring objectives.

14. OMM attorneys worked closely with the Debtors and their other advisors to analyze collective bargaining agreements and assess the economic and operational impact of such agreements on the Debtors' restructuring objectives. During the Fee Period, OMM attorneys provided advice regarding labor and employment matters and continued to draft and finalize the *Motion of the Debtors for Entry of an Order Pursuant to 11 U.S.C. §§ 363(b) and 105(a) and Fed. R. Bankr. P. 9019(a) Authorizing Entry Into Agreements Establishing New Labor Conditions with ALPA and AFA* [ECF No. 585], which was granted by the Court on December 29, 2025 [ECF No. 642]. In addition, during the Fee Period, OMM attorneys provided advice on routine labor and employment matters arising in the ordinary course of the Debtors' business.

ACTUAL AND NECESSARY EXPENSES

15. As set forth in **Exhibit D** hereto, OMM has incurred or disbursed $10,454.82 in expenses in providing professional services to the Debtors during the Fee Period. These expense amounts are intended to cover OMM's direct operating costs, which costs are not incorporated into the OMM hourly billing rates. Only clients for whom the services are actually used are separately charged for such services. The effect of including such expenses as part of the hourly billing rates would unfairly impose additional costs upon clients who do not require such services. OMM has made every effort to minimize its expenses in the chapter 11 cases. The actual expenses incurred in providing professional services to the Debtors were necessary, reasonable, and justified under the circumstances to serve the needs of the Debtors, their estates, and other parties in interest.

OMM'S REQUESTED COMPENSATION AND REIMBURSEMENT SHOULD BE ALLOWED

16. Section 331 of the Bankruptcy Code provides for interim compensation of professionals and incorporates the substantive standards of section 330 of the Bankruptcy Code to

govern the Court's award of such compensation. Section 330 of the Bankruptcy Code provides that a court may award a professional employed under section 327 of the Bankruptcy Code "reasonable compensation for actual necessary services rendered … and reimbursement for actual, necessary expenses." 11 U.S.C. § 330(a)(1). Section 330 also sets forth the criteria for the award of such compensation and reimbursement:

> In determining the amount of reasonable compensation to be awarded to . . . professional person, the court shall consider the nature, the extent, and the value of such services, taking into account all relevant factors, including –
>
> (a) the time spent on such services;
>
> (b) the rates charged for such services;
>
> (c) whether the services were necessary to the administration of, or beneficial at the time at which the service was rendered toward the completion of, a case under this title;
>
> (d) whether the services were performed within a reasonable amount of time commensurate with the complexity, importance, and nature of the problem, issue, or task addressed;
>
> (e) with respect to a professional person, whether the person is board certified or otherwise has demonstrated skill and experience in the bankruptcy field; and
>
> (f) whether the compensation is reasonable based on the customary compensation charged by comparably skilled practitioners in cases other than cases under this title.

11 U.S.C. § 330(a)(3).

17. The foregoing professional services were performed by OMM in an efficient manner, were necessary and appropriate to the administration of the chapter 11 cases, and were in the best interests of the Debtors, their estates, and other parties in interest. Compensation for the foregoing services as requested is commensurate with the complexity, importance, and nature of the problems, issues, and tasks involved. As required by the U.S. Trustee Guidelines, annexed hereto as **Exhibit E** is a chart setting forth the comparative blended rates of the professionals and

paraprofessionals who rendered services with a corresponding comparison of rates for professionals and paraprofessionals not involved in these chapter 11 cases.

NOTICE

18. The Debtors will provide notice of this Application in accordance with the Interim Compensation Order. A copy of this Application will also be made available on the Debtors' case information website located at https://dm.epiq11.com/SpiritAirlines. The Debtors submit that no other or further notice be given.

[Remainder of Page Left Blank Intentionally]

WHEREFORE, OMM, in connection with services rendered on behalf of the Debtors, respectfully requests allowance of reasonable compensation of such services rendered in the total amount of $546,206.00 and reimbursement of actual and necessary expenses incurred in the amount of $10,454.82, for an aggregate total of $556,660.82 for the Fee Period.

1. I am an attorney admitted into practice in the States of California and New York and a partner at the law firm of O'Melveny & Myers LLP ("**OMM**"), located at 400 South Hope Street, 19th Floor, Los Angeles, CA 90071. I am familiar with the work performed on behalf of the above-captioned debtors and debtors in possession (the "**Debtors**") by OMM.

2. I have reviewed the *Second Interim Application of O'Melveny & Myers LLP, as Special Labor Counsel to the Debtors, for Compensation for Services Rendered and Reimbursement of Expenses Incurred for the Period from December 1, 2025 through February 28, 2026* (the "**Application**") to certify to certain matters addressed in the (i) *Order Establishing Procedures for Interim Compensation and Reimbursement of Expenses of Retained Professionals*, dated November 3, 2025 [ECF No. 387] (the "**Interim Compensation Order**"), (ii) rule 2016-1 of the Local Rules of Bankruptcy Procedure, incorporating the *Amended Guidelines for Fees and Disbursements for Professionals in the Southern District of New York Bankruptcy Cases* [General Order M-447], among other guidelines (the "**Local Guidelines**"), and (iii) *the United States Trustee's Guidelines for Reviewing Applications for Compensation and Reimbursement of Expenses Filed Under 11 U.S.C. § 330 for Attorneys in Larger Chapter 11 Cases* effective as of November 1, 2013 (the "**U.S. Trustee Guidelines**" and together with Local Guidelines, the "**Fee Guidelines**").[2] The Application covers the period December 1, 2025 through February 28, 2026 (the "**Fee Period**").

3. To the best of my knowledge, information and belief, the statements contained in the foregoing Application are true and accurate in all material respects and comply with the Fee Guidelines in material part. OMM responds to the questions identified in the U.S. Trustee

[2] Capitalized terms used but not otherwise defined herein shall have the meanings ascribed to them in the Interim Compensation Order.

Guidelines as follows:

Question 1: Did you agree to any variations from, or alternatives to, your standard or customary billing rates, fees, or terms for services pertaining to this engagement that were provided during the application period? If so, please explain.

Answer: No.

Question 2: If the fees sought in the Application as compared to the fees budgeted for the time period covered by the Application are higher by 10% or more, did you discuss the reasons for the variation with the client?

Answer: The client and OMM have discussed the staffing requirements of OMM's services in the Chapter 11 Cases and have agreed that a formal budget and staffing plan are not necessary. OMM has provided the client with the actual amount of fees incurred on a monthly basis and engages in ongoing discussions with the client regarding fees and expenses generally, but did not prepare an itemized budget for the Fee Period.

Question 3: Have any of the professionals included in the Application varied their hourly rate based on geographic location of the bankruptcy case?

Answer: No.

Question 4: Does the Application include time or fees related to reviewing or revising time records or preparing, reviewing, or revising invoices?

Answer: No.

Question 5: Does the Application include time or fees for reviewing time records to redact any privileged or other confidential information? If so, please quantify hours and fees.

Answer: OMM is seeking compensation for approximately 1.7 hours and $2,752.50 in fees related to reviewing time records to redact privileged or other confidential information.

Question 6: Did the Application include any rate increases since retention in these cases?

Answer: Yes, OMM and the Debtors agreed to adjust OMM's rates as of January 1, 2026, in accordance with generally accepted industry practices and market conditions.

Question 7: Did the client agree when retaining OMM to accept all future rate increases? If not, did OMM inform the client that they need not agree to modified rates or terms in order to have you continue the representation, consistent with ABA Formal Ethics Opinion 11-458?

Answer: The client was informed regarding OMM's rates and future rate increases *ab initio* and also as part of its approval of OMM's retention application.

6. OMM shall provide ten-days' notice to the Debtors, the U.S. Trustee, and counsel to the Committee before any increases in the rates set forth in the Application are implemented.

7. The relief granted herein shall be binding upon any chapter 11 trustee appointed in any of the Chapter 11 Cases or on any chapter 7 trustee appointed in the event of a subsequent conversion of any of the Chapter 11 Cases to cases under chapter 7.

8. In the event of any inconsistency between the terms of the Application, the Siegel Declaration, the Cromer Declaration, and this Order, the terms of this Order shall govern.
