

The most recent official, publicly posted action for the United Airlines / AFA-CWA flight-attendant mediation case (A-14065) is still the mediator reassignment recorded in the NMB Weekly Activity Report for November 25–29, 2024.

Here's what that entry showed:

Case A-14065 – United Airlines / Association of Flight Attendants-CWA

Mediator reassigned to Michael Kelliher (from Patricia Simpson)

Posted in the NMB Weekly Activity Report for the week ending Nov 29 2024.

Since then:

- **No further Weekly Activity Reports (Dec 2024 → Oct 2025)** list A-14065 by number or by name.
- **No new docket filings, notices of conference, or proffer/release decisions** have been added for that case.
- The **NMB's Determinations page** and **Press Releases** show only unrelated matters (mechanics, pilots, other carriers).

So, as of early November 2025, that Nov 2024 reassignment remains the latest public docket entry for United/AFA mediation.
